Dear Friends,

Seldom does a City Councillor get the opportunity to endorse an international partnership that will contribute to and transform the heart of a city.

I am thrilled by the enthusiasm of the International Olympic Committee, the Canadian Olympic Association and I.S.D.O. to have selected our City as their inaugural site for *Olympic Spirit*. Their desire to be located at the exciting intersection of Yonge and Dundas speaks to their confidence in Downtown Toronto.

The efforts of Toros Entertainment Inc. in securing the commitment of these agencies to Toronto, as well as the City's commitment to this project, can only benefit the community and the Olympic movement.

Join me in making the *Olympic Spirit* in Toronto a reality.

Kyle Rae
City Councillor
