

A MESSAGE FROM MAYOR MEL LASTMAN

Today's announcement by PenEquity Management Corporation in conjunction with International Spirit Development Organization, the International Olympic Committee, the Canadian Olympic Association and Landmark entertainment is exciting news for the City of Toronto.

Olympic Spirit Toronto, located at the corner of Dundas and Victoria Streets, will be one of our City's top attractions when it's completed with an Olympic hall of fame, sports galleries, a café/bar, cinemas and a coaching hall available to be enjoyed by residents and tourists alike.

The building's unique design will add a distinctive touch to the Yonge Street corridor and the IOC's decision to be a part of this project is an endorsement of the values we in Toronto hold near and dear to our hearts.

With people from more than 170 different countries who speak more than 100 different languages and dialects, our City is an Olympic village 365 days a year. There truly is no better place in the world to celebrate the Olympic Spirit than Toronto.

Congratulations to everyone involved in making Olympic Spirit Toronto a reality.

Mel Lastman
Mayor
